

MEMORANDUM OF UNDERSTANDING FOR ACADEMIC EXCHANGE
BETWEEN
BURAPHA UNIVERSITY/ THAILAND
AND
PROTEO-SCIENCE CENTER, EHIME UNIVERSITY/ JAPAN
(3rd Renewal)

The Burapha University and Proteo-Science Center, Ehime University hereby agree to promote academic exchange and cooperation between the two universities.

1. Both universities will work to realize the following:
 - (1) Exchange of educational and scientific publications and other information
 - (2) Exchange of academic, research and administrative staff and students
 - (3) Planning and operation of joint research and other related activities
2. Both universities will consult each other about the content above.
3. In practicing this agreement, each university is responsible for all related expenses which concern each university.
4. This agreement becomes effective on the date of signature and is valid for five (5) years. It shall be terminated at any time by either university by giving a notice of termination in writing no less than six (6) months in advance. However, it can be amended or renewed through consent of both universities.
5. This agreement is written in English. Both universities retain two copies which are equally official.
